SACRED WINDOWS

An invitation to gaze into heaven's stained glass windows
Beauty, Truth and Goodness

Welcome to *Sacred Windows*!

Hello! I'm Peter Darcy, creator of *Sacred Windows* – a website for people who are tired of the **toxic culture and politics** and who seek a spiritual oasis in all the chaos.

The premise of the website is that we need greater spiritual strength in a tumultuous time. We build that inner strength through exposure to **Beauty, Truth and Goodness**. The more of these qualities we take in, the more our souls grow and mature.

Beauty appeals to human emotions and is the foundation for the supernatural gift of Hope. **Truth** nurtures our intellects and is the condition for Faith. **Goodness** strengthens the will and is the basis of the virtue of Charity, the very essence of God's life.

The Christian tradition calls these spiritual gifts the three *transcendental values* because they transcend our purely material world and give us glimpses into God's interior life.

Windows and Window Panes

Beauty, Truth and Goodness are like **heaven's stained glass windows** through which we can view – with spiritual eyes – the world beyond ours.

Sacred Windows is designed around three portals designated by **three actual rose windows from churches in the US**. Each window has sub-categories which are like individual panes of glass opening out into the world of the transcendental values.

Here are the topics associated with each window:

Eucharist
 Generosity
 Heroism
 Marriage & Family
 Martyrs & Witnesses
 Missionaries
 Virtue

Angels
 Art & Architecture
 Inspiration
 Literature
 Music & Performance
 Natural World
 Wonder & Ingenuity

Church & Sacraments
 Faith & Mysticism
 God & Jesus Christ
 Intelligent Humor
 Prayer & Spirituality
 Scripture
 Virgin Mary & Saints

You will find numerous posts under each of the topics as well as reader feedback and commentary sections at the end of each post. As you can see, there is something of value for everyone.

I just launched the website on the First Sunday of Advent, and there will be much more inspiring content to come. (I post a new article every week.)

A Few Specific Titles

I hope you'll visit the website, and if you need an incentive or two, here are a few of the article titles. Some of these posts include videos but all of them provide a look into topics of great interest, presented in readable and engaging prose:

Sign up for the Sacred Windows Newsletter

I invite you to visit the site and sign up for the *Sacred Windows* Newsletter that will keep you informed of all new postings. The newsletter goes out every other week.

As an extra incentive, I'm going to **send to all newsletter subscribers** my e-book called *The 7 Leadership Virtues of Joan of Arc* which I published this year through Tremendous Leadership in Pennsylvania. The publishers have given me their blessing to send this e-book to you for **FREE**.

FREE E-BOOK (PDF Format)

NOTE: If you would like to receive the e-book in EPUB or MOBI formats, kindly send an email to either of the addresses under "CONTACT PETER" below.

Free! You can't go wrong! On top of that, Joan of Arc is a saint. She knows quite a lot about Beauty, Truth and Goodness.

Thank you!

Above all, thanks for taking the time to read this email. If nothing else, please say a prayer for me and I promise to pray for you as part of this important work of getting ourselves to heaven.

We're on this spiritual journey together.

In Christ and His Church,

Peter Darcy
